S10: Closing

Click to review your responses to the survey. You will not be able to make changes to the review form, but you will be able to go back in the survey and revise responses once you close the review page. You can print the review copy by using your browsers "Print" function. You will also have a chance to print your completed report after report submission.

Please add any comments here for the Commission office for the 2014 Annual Report.

Please note that SFCC shares its statewide transfer degrees with Spokane Community College and were listed in previous annual reports under Community Colleges of Spokane as the institution, but its AAS degrees are specific to SFCC alone. We have changed the institution to SFCC entirely for the sake of consistency and the fact that SFCC students receiving these degrees will receive these degrees from SFCC, not Community Colleges of Spokane.
