

Campus Hazing Transparency Report

Last updated March 30, 2026

The Stop Hazing Act is a federal law that requires institutions of Higher Education to report on responsible findings of Hazing.

Hazing is prohibited within the Spokane Colleges.

This prohibition applies to conduct that may occur both on and off campus. In compliance with 2SHB 1751 (2022), The College will implement procedures and programs, including offering students and employees hazing prevention training and programming, implementing mandatory reporting of hazing, creating a hazing prevention committee and publishing a hazing report.

Hazing Definition

As used in RCW 28B.10.901 and 28B.10.902, "hazing" includes any act committed as part of a person's recruitment, initiation, pledging, admission into, or affiliation with a student organization, athletic team, or living group, or any pastime or amusement engaged in with respect to such an organization, athletic team, or living group that causes, or is likely to cause, bodily danger or physical harm, or serious psychological or emotional harm, to any student or other person attending a public or private institution of higher education or other postsecondary educational institution in this state, including causing, directing, coercing, or forcing a person to consume any food, liquid, alcohol, drug, or other substance which subjects the person to risk of such harm, regardless of the person's willingness to participate. "Hazing" does not include customary athletic events or other similar contests or competitions.

Understanding the Report

Each Incident Summary will begin with a reported date. This may be right after, or significantly after, the incident date as it is based on when the incident is reported.
